Eager to begin a career **immediately** in the logistics and shipping industry by applying academic knowledge, adapting quickly to practical challenges, and contributing effectively to team success.

EXPERIENCE

Operation Supervisor

1 year experience

Safexpress, Salem, Tamil Nadu

- Coordinated daily warehouse operations, including scanning, labeling, and verifying materials for accuracy. Ensured timely loading of shipments into containers in line with schedules and customer requirements. Monitored workflow to maintain efficiency, accuracy, and safety standards. Collaborated with team members to streamline processes, reduce delays, and support smooth supply chain operations.

Warehouse Supervisor

1 year experience

Silvan Business Group, Valanchery, Kerala

- As a Warehouse Supervisor, I was responsible for overseeing daily operations to ensure the correct items were picked, scanned, and loaded efficiently into containers. I coordinated and guided my team to complete tasks on time while maintaining accuracy and adherence to schedules. By monitoring workflows and enforcing safety standards, I contributed to smooth supply chain operations and reliable on-time deliveries.

TRAINING AND CERTIFICATIONS

- Attended workshops on air cargo operations and cargo handling at Cochin International Airport and two container freight stations.
- Completed a three-day outbound training at Leads, Palakkad.
