## LEARNING SUPPORT ASSISTANT

Compassionate and skilled Learning Support Assistant (LSA) with over 5 years' experience supporting children with special educational needs (SEN) in both mainstream and special school settings. Proficient in implementing IEPs, using ABA techniques, and promoting inclusive, student-centered learning.

Experienced in working with children diagnosed with diverse developmental disorders, offering tailored 1:1 and small group interventions. Strong collaborator with teachers, therapists, and parents to ensure consistent progress and emotional support to foster engagement and independence. Committed to creating safe, friendly and supportive learning environments where every child can thrive.

## EXPERIENCES

### *Learning support Assistant*

#### **Home Tuition - Abu Dhabi, UAE**

**2025 - present**

- Deliver tailored 1:1 support to students with autism, ADHD, and learning delays, enabling them to access the full curriculum.
- Utilize visual aids (PECS, visual schedules) and behavior support strategies to improve focus, task completion, and communication.
- Create a structured, low-stimulus environment for students with sensory sensitivities.
- Collaborate with class teachers and SENCOs to implement Individual Education Plans (IEPs) and adjust learning materials for differentiation.
- Maintain detailed behavior and progress reports, contributing to goal adjustments.

### **Learning support Assistant**

#### **LVS Educational and occupational Therapy center- DUBAI, UAE 2023 - 2024**

- Supported children with complex needs such as Down syndrome, global developmental delay (GDD), and sensory processing disorder in a specialized learning environment.
- Applied Behavior Analysis (ABA) methods and task analysis to promote communication, motor skills, and independence in daily routines.
- Provided personal care assistance including toileting, feeding, and hygiene with dignity and sensitivity.
- Worked as part of a multidisciplinary team including speech therapists, occupational therapists, and psychologists to deliver coordinated interventions.

### *Mathematics and Economics Teacher*

#### **Harvard comprehensive high School - Cameroon**

**2019 - 2023**

- Plan and deliver engaging lessons that help students understand both theoretical and practical aspects of the subjects.
- Use different teaching methods, lectures, group discussions, problem-solving, and real-life examples to enhance understanding.
- Prepare and administer tests, assignments, and examinations to assess students' performance.
- Offer academic guidance to students who need extra support in Mathematics or Economics.
- Use examples from business, finance, and current economic issues to make lessons practical and relevant.
