PROFILE

I am a dedicated and compassionate general practitioner with 12 Years of experience in patient care. I earned my M.B.B.S. from Smolensk State Medical Academy in Russia, and have since built a reputation for being both sincere in my medical practice and cheerful in my interactions. My jolly nature helps me connect with patients on a human level, creating a comfortable and trusting environment for healing.

Serving as a Medical Officer at Kanuga Maternity and General Hospital, overseeing patient care.

WORK EXPERIENCE

Medical Officer

Kanuga Maternity and General Hospital, Kosamba November' 2012 - March-2025

- Managing patient care across multiple specialties, including general medicine, pediatrics and emergency services, ensuring comprehensive medical attention.
- Leading the outdoor patient unit (OPD), diagnosing, treating, and providing follow-up care to a diverse patient population.
- Specializing in pediatric care, delivering immunizations, growth monitoring, and treatment for common childhood illnesses, enhancing patient outcomes.

Medical Officer

Reliance Industries Ltd., Surat August 2010 - April 2011

- Delivered immediate healthcare services to employees, focusing on injury management, first aid, and preventive care within an industrial setting.
- Coordinated with safety officers to ensure the health and safety compliance of work practices, reducing workplace accidents and improving employee wellness.
- Provided health assessments for new hires and existing staff, recommending preventive measures and lifestyle adjustments based on individual health needs.
